Sending Organization	: Pi Youth Association (Pi Gençlik Derneği) – Turkey
Application Deadline	: 25.04.2024
Application Address	: www.genclikcalismalari.org

About the hosting organization

The hosting organization is a limited liability company and an affiliated company from an association founded 1967, called “Lebenshilfe Vorarlberg”.

Our general principle is “people need people” no matter if you have any disabilities or not. Our work focuses on the uniqueness of each human being and the belief that the society depends on each individual person and each individual person depends on the society.

Lebenshilfe Vorarlberg is an organisation for people with light intellectual disabilities and behaviour problems from the age of 16 until retirement. Our core objective is to prepare this target group for the regular employment market. Therefore, our organization provides four biodynamic working areas with naturalistic working conditions.

Those four working areas are:

- agriculture
- plant nursery
- carpentry

All together we engage over 60 people with light intellectual disabilities and behaviour problems. Furthermore, Lebenshilfe Vorarlberg offers a housing service for around 20 people with disabilities which include different possibilities of assistance.

Our staff is educational and subject-specific trained a basic requirement for our concept. It enables us on the one hand to handle an agriculture with 60-hectare arable land and a lot of animals, to produce a variety of wooden products only per order, to receive about 5000 visitors per year in our gastronomy and to grow and sell 500 different species of plants.

And on the other hand, it qualifies us to accompany people with disabilities on their way to the regular employment market.

About the project

In terms learning opportunities, the volunteer will have a varied role and therefore gain invaluable experience and skills for working with people with light intellectual disabilities and behaviour problems. On that course they will learn a lot about their ways of living as well as, disability issues and issues facing the local community.

They will also learn how to work along with people with disabilities and how to increase their skills and promote their independence. Furthermore, they will again access to the work as a farmer, carpenter, gardener and gastronome.

There are many different things to learn as a volunteer in the project. Every working area has its learning possibilities and challenges.

Apart from the working area, the volunteer will be involved in attending people with intellectual disabilities and behaviour problems. That's the core area of the project.

The main responsibilities of the volunteer

The volunteer will work five days a week, 34 hours a week including German course. S/he will have two days holidays per month.

The role of the volunteer will be to work along with our employees and people with intellectual disabilities and behaviour problems in the area of plant nursery & gardening!

Important: Each volunteer will work in one area during the year. We also expect that our volunteers do a small project at Lebenshilfe Vorarlberg. The aim is to get to know each other better and to intensify the contact with people with disabilities a little. This can be small projects or activities like for example: creating a special cooking day with meals from your country or playing games with the team, for example a hide and seek in the surrounding area, to come close to nature by every sense.

One weekend a month, all volunteers will have the duty to take care of the animals at the agriculture area. For this task, the volunteers can take their two free consecutive days off during the week.

Activities

Agriculture:

The work is characterized by mainly outdoor jobs and substantial work. Examples are mucking out the barn, intersperse hay, feeding and caring for the animals, maintaining work, preparing goods for the farm shop.

Plant nursery:

The work in our nursery plant is branded with substantial work and outdoor tasks. Examples for possible tasks are planting, repotting, weeding, harvesting, etc.

Carpentry:

The carpentry requires accurate work and craftsmanship. Engineering wood boxes, drilling, sanding and mounting are main tasks in our daily affairs.

Participants Profile

We are looking for **open minded people** who want to collect **a lot of experiences in the daily work with people with intellectual disabilities and behaviour problems**. We expect that the volunteer brings in a **high motivation**. Moreover, the volunteer should have a **stabilized personality** so that they are able to encourage and accompany people with disabilities to realize their potential and abilities.

Practical arrangements and accommodation:

The volunteer will live in a house next to the host organisation with the other volunteers. S/he will have a room on her/his own and share a bathroom and kitchen with others. The infrastructure with trains and buses is easy and quick and s/he will also have a bicycle at his/her disposal. The volunteer will receive a ticket for free use of any public transport in the whole region of Vorarlberg during the complete time.

Financial conditions:

Pocket money: 210€ per month

Food money: 280€ per month

Every volunteer is entitled to receive a **free pass for public transportation** for the whole province, as well as a “**culture pass**” with free access for musea, theaters, art cinemas etc in whole Austria.

Support during the voluntary service:

The volunteer will have regular meetings with her/his tutor in our organisation to talk about the development of the project, task assignments, general wellbeing, problems, wishes, etc.

The Supporting/Coordinating Organisation will hold a monthly evaluation meeting with all volunteers in Vorarlberg. At the end of the project, we will together with the volunteer evaluate the project, what s/he has learned and which competences s/he has gained and as a result fill out the Youthpass. Furthermore, there will be a final personal evaluation meeting with the Supporting/Coordinating Organisation.

Nasıl başvuru yapılır?

1. İlk olarak, www.genclikcalismalari.org adresine giderek üye girişi yapınız ve ardından ilgilendiğiniz ilanı seçiniz.
2. Başvurunuzu yapmadan önce, "**Ek Dosyalar**" bölümünde yer alan bilgilendirme paketini dikkatlice okuyunuz. Bu adımdan sonra, sayfanın sağ tarafında bulunan "**Başvur**" butonuna tıklayınız.
3. Başvuru için istenilen belgelerin her birini (İngilizce Europass CV ve Motivasyon Mektubu veya Başvuru Formu) ayrı ayrı "**Dosya yükle**" alanından yükleyiniz. Dosyaların PDF formatında olmasına dikkat ediniz.
4. Belgeleri yükledikten sonra, "**Sonraki**" butonuna basınız.
5. Başvurunuzu tamamlamak için "**Başvuru**" butonuna tıklayınız.

Tebrikler! Başvurunuzu gerçekleştirdiniz. Ekibimiz tarafından en kısa sürede başvurunuza dair size geri dönüş yapılacaktır.
