This is who we are!

The hosting organization is responsible for city partnerships, international networks and development cooperation. The organization supports all actors, both within the administration and in cooperation with a broad network of non-governmental organizations, civil society initiatives, cultural institutions, schools, universities, companies and many others in achieving common goals. Important cross-cutting themes that run through many of the partnerships are the implementation of sustainable development goals, joint remembrance and reconciliation work, education and youth empowerment or issues of integration and inclusion. Their partner cities are Gdańsk/Poland, Riga/Latvia, Haifa/Israel, Izmir/Türkiye, Durban/South Africa, Windhoek/Namibia, Odessa/Ukraine and Dalian/China.

About the activity

As a “Youth Ambassador” you will represent your home town, the partner city in the country where you are from or you feel connected to. The focus of your work will be on the relations of these two cities where the main goal is to strengthen and promote youth participation and youth exchange as well as to contribute to intensify the town twinning with your own project idea. That means, you will:

- Work together with actors in youth work, youth groups and schools from Bremen and the partner cities
- Get to know the administrative apparatus of Bremen
- Have the opportunity to take part in (international) events
- Initiate and support youth exchanges and partner city activities
- Support the relationship and cooperation between your partner city and Bremen in particular
- Help to address younger target groups to educate about the concept of town twinning
- Get involved in various social media activities in order to address younger target groups
- Prepare and manage your own project and design a concept for international youth activities in order to integrate the perspectives of young people in the international context of Bremen and to expand youth participation via various formats.

The volunteer will have the opportunity to;

- Work in a multicultural group of experts from different areas.
- Help strengthen partnerships with youth exchange.
- Reach new target groups, through social media or help increase the visibility of the networking activities of the international work in Bremen.
- Develop your own ideas and turn them into a project.

Volunteer Profile

We are looking for a volunteer who;

- is a resident of the cities Riga, Gdańsk, Odesa, Izmir or Haifa or have some sort of connection to one of these cities.
- is between 18-30 years old (on the day you start your ESC).
- can communicate in English (B2 or more) and/or German (A2 or more) and/or are willing to improve your foreign language skills.
- Has a high level of motivation, desire for self-development and readiness to work with different age groups.
- take initiative and want to implement your own project idea.
- love to be creative and motivated about making a positive change in society.
- are an open-minded person, motivated to work in a team and with people from different religious, cultural and social backgrounds.

Seminars

Travel

There is a budget to cover 1 trip from the leaving place to Germany and 1 trip from Germany back home. The travel budget is calculated according to different distance bands that change from country to country, and which increases if the trip is done with sustainable means of transport. The volunteer has to keep all the invoices, boarding passes, tickets and any proof of the expenses to be reimbursed for these expenses in Germany. Travel costs will be reimbursed depending on the travel distance (normally between 211-395€).

Accommodation, food and transport arrangements

The volunteer will be accommodated in his/her own room in a flat in Bremen with 4 other ESC volunteers.

Pocket and Food Money

As an ESC volunteer, you will receive health insurance, monthly pocket money for food and other expenses (290€ + 210€).

The volunteer will also receive German language lessons of 1 hour per week.

Insurance

Health insurance will be provided by the ESC programme.

Project Duration : 12 months

Project Venue : Bremen (Germany)

This is who we are!

The hosting organization tries to get young people interested in parliament and democratic processes with their own concept (“Klasse Bürgerschaft”). Reconciliation and raising awareness of history is also an important element of the organization’s commemorative work – especially with Bremen’s eight sister cities. These international city relations and regional partnerships make an important contribution to the character of the Free Hanseatic City of Bremen as a traditionally cosmopolitan and internationally networked Hanseatic city.

About the activity tasks and opportunities

The volunteer will have the opportunity to;

- Learn more about public relations and international affairs inside of the state parliament of Bremen
- Reach new target groups through social media or help increase the visibility of the international work in Bremen.
- Contribute to strengthening ties between sister cities with your own project ideas (e.g. for events, exhibitions and/or on the topics of youth)
- Apply with your own project and implement it during your volunteering
- Develop projects with other volunteers from the partner cities coordinated by the Senatskanzlei (city hall), just across the street
- Develop your own guided tour of the parliament in your native language and support delegation trips
- Support existing workshops for school classes and initiate exchanges between Bremen schools and the partner cities.
