This is who we are!

The host organization is a non-profit youth exchange organisation that promotes intercultural understanding, equality, and peace through international volunteering. We are part of the International Cultural Youth Exchange (ICYE) Federation, a global network of around 40 organisations.

Every year, we:

- Send 20–30 young people from Finland abroad as volunteers
- Welcome 30–40 international volunteers to Finland
- Coordinate ICYE and European Solidarity Corps volunteering programmes

Our office team includes three full-time staff members (Secretary General, Program Coordinator, and Communications Officer) and two international volunteers. Our work is supported by a group of active volunteer coworkers.

About the activity

Your main role is to create engaging, youth-friendly content that shows what international volunteering is really like and inspires young people to get involved. You'll be co-operating with the host organization's Communications Officer and co-workers, and you will have room to bring your own ideas and creative style.

You will:

- Create content together for the host organization's TikTok channel and other social media
- Brainstorm content ideas and experiment with storytelling and trends
- Film and edit short videos (TikTok, Reels)
- Collect stories and experiences from volunteers and turn them into videos
- Take photos and design visuals (Canva and Adobe Creative Cloud available)
- Write short texts and captions (mainly in English)
- Help keep the host organization's website, guidebooks, and communication materials up to date
- Represent the host organization at events, fairs, and school visits
- Contribute to the host organization's magazine *Volunteers' Voices*
- Take part in organising the host organization's training camps for international volunteers (held in May, August, October, and January)
- Coordinate the host organization's Buddy activities
- Develop a small personal project based on your interests (for example: a social media campaign, content series, or video concept)

Volunteer Profile

This volunteering position is ideal for someone who:

- Enjoys TikTok and Instagram
- Likes creating videos, photos, and other digital content
- Is curious about international volunteering and youth work
- Is proactive, creative, and open to learning
- Who enjoys connecting with people and teamwork
- Is comfortable using English in both written texts and spoken communication
- Enjoys organising group activities and facilitating workshops

You don't need to be a professional – motivation and willingness to learn are what matter most. A bonus (but not required) is feeling comfortable also in front of the camera.

Seminars

As a volunteer within the ESC programme, 2 seminars are offered by the Finland National Agency, in which the volunteer will meet other volunteers involved in other organizations activities and from all over Finland.

Travel

Travel costs of the volunteer from to Finland and back will be reimbursed to a maximum in accordance with the European Commission distance calculator and European Solidarity Corps Program Guide.

Accommodation, food and transport arrangements

Accommodation will be provided by the host organization.

Pocket money

The hosting organization will give the monthly allowance to the volunteer.

Food and Transport
