### This is who we are!

Volunteer at the host organization: a place where the local children and young people can go and participate in events, concerts, workshops or skate, climb or just hang out in the café with their friends. A place to which they can belong, where they can be themselves.

The values of the host organization are, among others: competence, voluntariness, involvement, trust, respect, broadmindedness, dialogue, sustainability and climate awareness.

### Some of our regular activities:

*Visual arts and creative activities, i.e.:*

- Visual arts education for children from 6-15 years in their spare time. At present, 3 classes.
- Visual arts courses for all Year 1 children. Approx. 30 courses a year.
- Spontaneous creative activities in the café for daily users.
- Open creative workshop once a week for everyone between 10 and 30 years.
- Design workshop once a week for everyone between 10 and 30 years.

### About the activity

At the host organization, the volunteer will not only get to know the Danes but also meet another volunteer from another European country – in a house which has already had several volunteers from European countries – and in which a previous volunteer from Latvia is now working. The host organization is a place where the local children and young people can go and participate in events, concerts, workshops, skate, climb or just hang out in the café with their friends. A place to which they can belong, where they can be themselves.

To have volunteers in the house will benefit the volunteers, the users of the house and the members of staff. The volunteers contribute to the good atmosphere, with a different view, new ideas and an international outlook, which makes both users and staff take a fresh look at how we do things. Kulturfabrikken says: “Having volunteers in the house helps us to open our minds and renew ourselves. We have felt the difference in the periods when they were not here.”

### **Typically, the volunteers will be working at the host organization with:**

- Day-to-day running of the café; together with a member of staff or another volunteer
- Participating in events; all stages from preparation to cleaning up, in cooperation with members of staff (especially at large events, all members of staff are involved)
- Workshops during the holidays; sometimes a volunteer has a workshop of their own, sometimes they are practical helpers
- Planning and participating in “Åbent Værksted” and “Designstuen” every week
- Participating in the weekly team meeting with all staff
- Participating in the weekly mentor meeting
- Writing monthly blogs for the host organization’s webpage
- Document/take photos during events and workshops and upload to photo file
- Language school, typically twice a week

The list is not complete, there will always be other/new tasks, including projects which the volunteers start on their own.

The volunteers work approx. 35 hours a week and we include the hours they go to language school, as working hours. There will be some work during evenings and weekends, as it is here, we hold many of our events and you should be prepared for long working days now and then.

## Volunteer Profile

The following criteria would be preferable:

- The ideal volunteers are young people (18 between 30) who want to work with children and young people, are creative performers themselves, passionate about live concerts and music and would like to work on their own projects within the framework offered by the host organization.
- We value young people with an open and curious approach, a positive and optimistic outlook on life and a desire to work in a smaller organization where there are many different tasks to be solved.
- Volunteers should be ready to live with another volunteer and to take care of themselves.

## Seminars

As a volunteer within the ESC programme, 2 seminars are offered by the Denmark National Agency, in which the volunteer will meet other volunteers involved in other organizations activities and from all over Denmark.

## Travel

Travel costs of the volunteer from to Denmark and back will be reimbursed to a maximum in accordance with the European Commission distance calculator and European Solidarity Corps Program Guide.

## Accommodation, food and transport arrangements

Accommodation will be provided by the host organization.

### Pocket money

The hosting organization will give the monthly allowance to the volunteer.

### Food and Transport

The hosting organization will give the monthly allowance to the volunteer.

### **Visa and resident permit**

For non-EU volunteers who might need a visa and stay permit, there is a budget to cover all the administrative costs. The volunteer has to keep all the invoices and proof of the expenses to be reimbursed in Denmark.

### **Language course**

The volunteer will have access to the Online Linguistic Support offered by the EU Academy of ESC programme, that will help him/her in learning the Danish language.

### **Insurance**

Health insurance will be provided by the ESC program.
