This is who we are!

The host organization is an organisation, created in 1977. Passionate people, parents and neighbours offered to children a new space of *freedom* as an *alternative* to the technical progress and modernity. It is a place dedicated to self-development and community life, a place where children can learn and experiment without pressure.

Every day, between 10 and 60 children gather there to share outdoor games, table games, sheds building, do-it-yourself workshops, cooking activities, artistic projects and gardening. All these activities must help them to develop their autonomy, responsibility, critical thinking and solidarity.

There are also a lot of external visits, residential camps organized outside of the Adventure playground: trips to the Northern sea, swimming pool, bicycle trips, camping. During the summer period (JULY and AUGUST), it is especially busy and welcomes up to 60 kids every day.

The playground is recognized as a youth centre by the French community of Belgium. It follows a mission of education to an active and responsible citizenship.

About the activity

During the project, the volunteer will be always in working with children and young people. They will launch, lead and follow several activities. These can be various and will depend on their ideas, wishes and skills. They will encourage democratic participation of the children who have the right to choose and to make proposals.

Usual activities in the Adventure Playground are: *artistic workshops* (painting, sculptures, serigraphy); *creative/participative workshops* (cooking, sewing, handicraft, shed buildings, storytelling, wild plants preparations); *games* (outdoor games, sports games, table games); *outdoor activities* (nature discovering, gardening).

The volunteer will help in the daily maintenance of the Playground (small reparations, painting, grass cutting, cleaning, tidying, gardening...).

The volunteer will participate and help to organize *special events*. Their help will be needed in organizing projects with other partner organizations: carnivals, city fests, shed symposiums, residential camps. They will also accompany the children during the *visits outside*: trips to the sea; bicycle trips and many other things.

Together with workers of Adventure and kids, volunteer will also help in *keeping the Vegetable Garden and the Green House* made up of plastic bottles.
