### This is who we are!

NGO Izum Youth Club is a mobile youth organization, which has been active since 1994 in the field of youth in Tallinn, Estonia. The role of the organization is to promote non-formal education involving youngsters starting from the age of eleven in different activities on local and international levels and provide a variety of activities for self-development. The main activities and topics of the center involve youth cultures (theater, music, dance, and art), organizing workshops and entertainments for youngsters (Flash mob, forum-theater, juggling or different types of games), media and communication – intercultural learning through international projects, especially with the support of the Erasmus+ programme (Youth Initiatives, Youth Exchanges, Training courses, ESC projects). Often the activities are in cooperation with municipalities or cultural, social, volunteer organizations.

This project is providing the volunteer an opportunity to learn and develop through working with children and youngsters in the youth organization, having a direct contact with local ethnic minority community and a possibility to impact them directly. The environment in the center is bilingual, in addition to Estonian, the young people also speak Russian and English.

IZUM encourages the volunteer to take initiative in carrying out activities and, through implementing her/his ideas in work with children and youth, to develop herself /himself and skills for future life.

## About the activity

Main activities in our organization will include:

- Leading workshops on different topics, all developed by the volunteer with help of NGO staff.
- Take initiative and realize own ideas in action (write own local project, organize event for children or other entertainment).

The main focus of work will be in the IZUM Club, where the volunteer will try first-hand the methods of non-formal education. The personal timetable will be created in accordance with her/his needs and desires, but it will be flexible and available for revisions, if needed. Monthly reflection meetings are planned with the volunteer to follow his/her learning development based on the 8 competences in the YouthPass certificate.

## Volunteer Profile
