This is who we are!

The host organization is a social promotion association founded in 2013 and located in one of the mountain municipalities near the Sibillini mountains.

The association cares for people with intellectual and relational disabilities. Due to the violent earthquakes of 2016, the association was left without a headquarters and with a large fundraising effort built “ La Casa nel Cuore”.

La Casa nel Cuore is an earthquake-proof, 2-storey structure where people with disabilities can:

- acquire new skills,
- develop or hone skills applicable in any context,
- improve their ability to interact with others and the world around them,
- gain greater autonomy,
- learn to grasp every aspect of existence by doing the things they love to do,
- fully understand the meaning of play and fun,
- develop skills for living as independently as possible

What we do:

The activities that have been consolidated over the years are aimed at people with intellectual and relational disabilities and concern:

- recreational, sports and training activities in the afternoon
- preparatory activities for sheltered work

- preparation of a didactic garden for growing produce, for welcoming school children and groups of elderly people
- setting up a meeting and product presentation space called WOW
- participation in markets, preparation of aperitifs, organisation of fundraising events,
- welcoming many volunteers who find in our association the opportunity to relate to disability but also and above all to experience new activities, learn new things and feel welcomed and understood.
