This is who we are!

The Kindergarten "Nesthüpfer" is a child care institution opened in 2013 in Falkensee, a city close to Berlin. The Kindergarten can host up to 220 children aged between 1-6 years, who, in their development, are accompanied by a professional team of 25 people consisting of educators/teachers, a movement coordinator and other support people like trainees and volunteers. The Kindergarten's activity rooms are situated on two different floors based on the children's age group. It also has a large playground and garden for outdoor activities. The Kindergarten is supervised by the LSB SportService Brandenburg gGmbH, which was set up in August 2004 as a 100% subsidiary company of the Brandenburgische Sportjugend im Landessportbund Brandenburg e.V. (Sports Youth Brandenburg within the Sports Federation Brandenburg). The organization main task is to acquire several Kindergartens and after school care centers and provide them with a profile of an exercise and movement oriented institution.

About the activity

Through his/her daily engagement, the volunteer will be integrated in the "on the move and health orientated" program of the Kindergarten. The volunteer will support the staff/pedagogues during their service, playing games, doing sports, preparing various workshops and organizing fun activities for the children. The main aim of the above- mentioned concept is the maximization of children's sport activities in their daily life. In addition, the volunteer should communicate to the children that doing sports and being active is fun. In this way, this approach will lead the children to a better health awareness.

The volunteer should assist the educators with all kinds of activities and help them in their daily work. Movement and health-related offers are only one part of the activities offered by the

Kindergarten. In fact, the educators offer children workshops and projects in the in the music, environment, geography fields etc.

The main fields of activities (subjected to change, based on the program of the Kindergarten) are the following:

- Looking after children aged between 2 and 5 years
- Supporting the pedagogues, on a daily basis, by playing with the children, taking part in and/or organizing different workshops, assisting the pedagogues during lunch/nap times
- Assisting the educators/exercise coordinators whilst practicing aged-based exercises in a playful way
- Accompanying children in their daily activities, e.g. to the sport halls or playgrounds
- Planning and implementing activities, e.g. celebrations as Christmas event, birthdays, intercultural evenings
- Helping during other activities, e.g. excursions, group walks to the parks, swimming courses etc.

Through the work in the Kindergarten, the volunteer will develop self-initiative and creativity. Upon agreement with the receiving organization, the volunteer will have the opportunity, to organize his/her own projects, e.g. about himself/herself, his/her own country, culture, traditions, language and food.
