The after school care center can host up to 100 children aged between 6-12 years, who, during their development, are accompanied by a professional team consisting of 5 educators/teachers, movement coordinators and other support people like trainees and volunteers. The activity rooms of after school care center are situated on two floors and a terrace, which are occupied based on the themes and children's age group. The after school care center has also a big playground and a garden for outdoor activities.
