The host organization is a limited liability company and an affiliated company of the association “Lebenshilfe Vorarlberg” (founded in 1967). The organization is situated in Göfis, near Feldkirch, Austria.

Our general principle is “people need people”, no matter if you have a disability or not. Our work focuses on the uniqueness of each human being and the belief that society depends on each individual person, and each individual person depends on society.

The organization is an organisation for people with light intellectual disabilities and behaviour problems from the age of 16 until retirement. Our core objective is to prepare this target group for the regular employment market. Therefore, the organization provides four biodynamic working areas with naturalistic working conditions.

Those four working areas are:
