This is who we are!

The host organization is a non-profit organization for the after-school care center and nursery. Since the beginning of 1999, the community of the neighborhood school has been under the ownership of the initiative "the host organization". The idea of a kindergarten was developed in 2002 with the decision of the association to take over the Odermann houses and expand them for the after-school care center.

Teachers and parents founded the Neighborhood School with the idea of creating a school that opens up both internally and externally. We support the individual strengths and talents of the children as much as possible. To realize this, we use approved reform-educational forms of organization and methods. Within our educational mission, it is particularly important for us to develop values and put them into practice—values such as the joy of learning, democracy and conflict management, non-violence, and a willingness to take responsibility for oneself and others.

About the activity

Volunteers can get involved in the day nursery (after school class 1 - 6). Possible tasks for the volunteers are:

- Accompanying the children and help in regular offers in kindergarten and nursery in a fixed group
- Playing games, doing handicrafts etc. with the kids
- Participation in the free weekly group hour (nursers) or the morning circle (kindergarten), accompanying children at meals
- Accompaniment and participation in excursions and holiday offers
- Implementation of projects in which the children get an insight into the home country of the volunteers and/or on the subject of Europe, languages (we have a focus on French)

Volunteers Profile

Age: 18-30. The volunteer should enjoy working with children, be open-minded and interested in free/ progressive/ reform pedagogy. A basic knowledge of German is a plus. A plus is as well if the volunteer speaks French because of the bilingual profile.
